Kitten Adoption Guidelines

Our Commitment to Kittens

Every minute a kitten remains in a shelter environment increases stress and risk of illness. Our process is designed to move kittens safely and quickly into homes.

When Can I Apply?

- Apply only when a kitten is listed on our website
- Applications are reviewed in the order received
- We do not accept early applications

Availability Date

- Each kitten has an availability date listed
- Adoptions are finalized on or after that date

No Holds – No Exceptions

- We do not hold kittens
- Once approved and ready, kitten must go home the same day
- Applies to Petco Calallen, Petco Corpus Christi, and Edgar & Ivy Sanctuary
- If not ready, we move to the next application

Bring a Carrier

- All cats must go home in a secure carrier
- Not allowed: arms or boxes
- No carrier = no adoption completion
- Cardboard pet carriers are available for purchase at the shelter for \$15

Special Cases

- Some cats require an in-person meeting before approval
- Includes special needs, trauma cases, and bottle babies

Fair & Equal Process

- No waitlists
- No pre-selection
- Equal opportunity for all adopters
